Date: 10-09-2019

Time: 18:00 – 19:00

Location: HG E 1.1. (Main Building, Hörsaal) – ETH Zürich Zentrum

Description: During this session, the concepts of sex and gender will be introduced. We will discuss how the integration of gender in research can lead to innovation and participants will be provided with a rationale and methods for integrating a sex/gender perspective in life science.

The program is coordinated by the Zurich- Basel Plant Science Center and supported by the Swiss Federal Office for Gender Equality for the period 2017-2019.
