Kentaro Shimizu
Evolutionary Functional Genomics

Marcel van der Heijden
Plant-Soil Interactions

Anne-Liisa Laine
Plant-Pathogen Interactions

Department of Geography

Alexander Damm
Remote Sensing of Water Systems

Maria J. Santos
Co-Evolution of Social-Ecological Systems

Meredith C. Schuhman
Molecular Chemical Ecology

University of Basel

Department of Environmental Sciences

Bruno Baur
Conservation Biology

Ansgar Kahmen
Sustainable Land Use

Thomas Boller, em.
Plant Physiology

Yvonne Willi
Plant Ecology

The Zurich-Basel Plant Science Center is a competence center linking and supporting the plant science research community of the ETH Zurich, University of Zurich and the University of Basel. In addition to affiliated professors, the PSC membership includes about 60 scientific group leaders, 230 PhD students, 175 post docs in the plant sciences as well as 9 staff members of the coordination office.
