(finding this room: <https://cutt.ly/VBH6vah>)

### Course Description/Programme: How can I present successfully?

#### Input:

- What is a pitch?
- Business pitch structure
- Tips & tricks for pitching
- Why storytelling?
- Key elements of storytelling

#### Individual work:

- Develop your storyboard

#### Roleplay:

- Pitch training in small groups incl. feedback

#### Final Pitches:

- 2-3 examples from the crowd

#### Learning Objectives:

You will learn how to present a message in such a way that the core idea is understood and arouses the listener's interest. You will have the opportunity to practice short presentations and improve your appearance.
