University of
Zurich^{UZH}

ETH zürich

University
of Basel

The Zurich-Basel Plant Science Center is a competence center linking and supporting the plant science research community at ETH Zurich, the University of Zurich and the University of Basel. In addition to the professors listed above, the PSC membership includes about 39 affiliated group leaders and senior scientists, 171 PhD students, 140 postdocs and 142 staff members working in research, education, administration and technical support.
